

Pharmacology Review

Nerve Transmission and Pathophysiology

from Stephen Stahl's Psychopharmacology

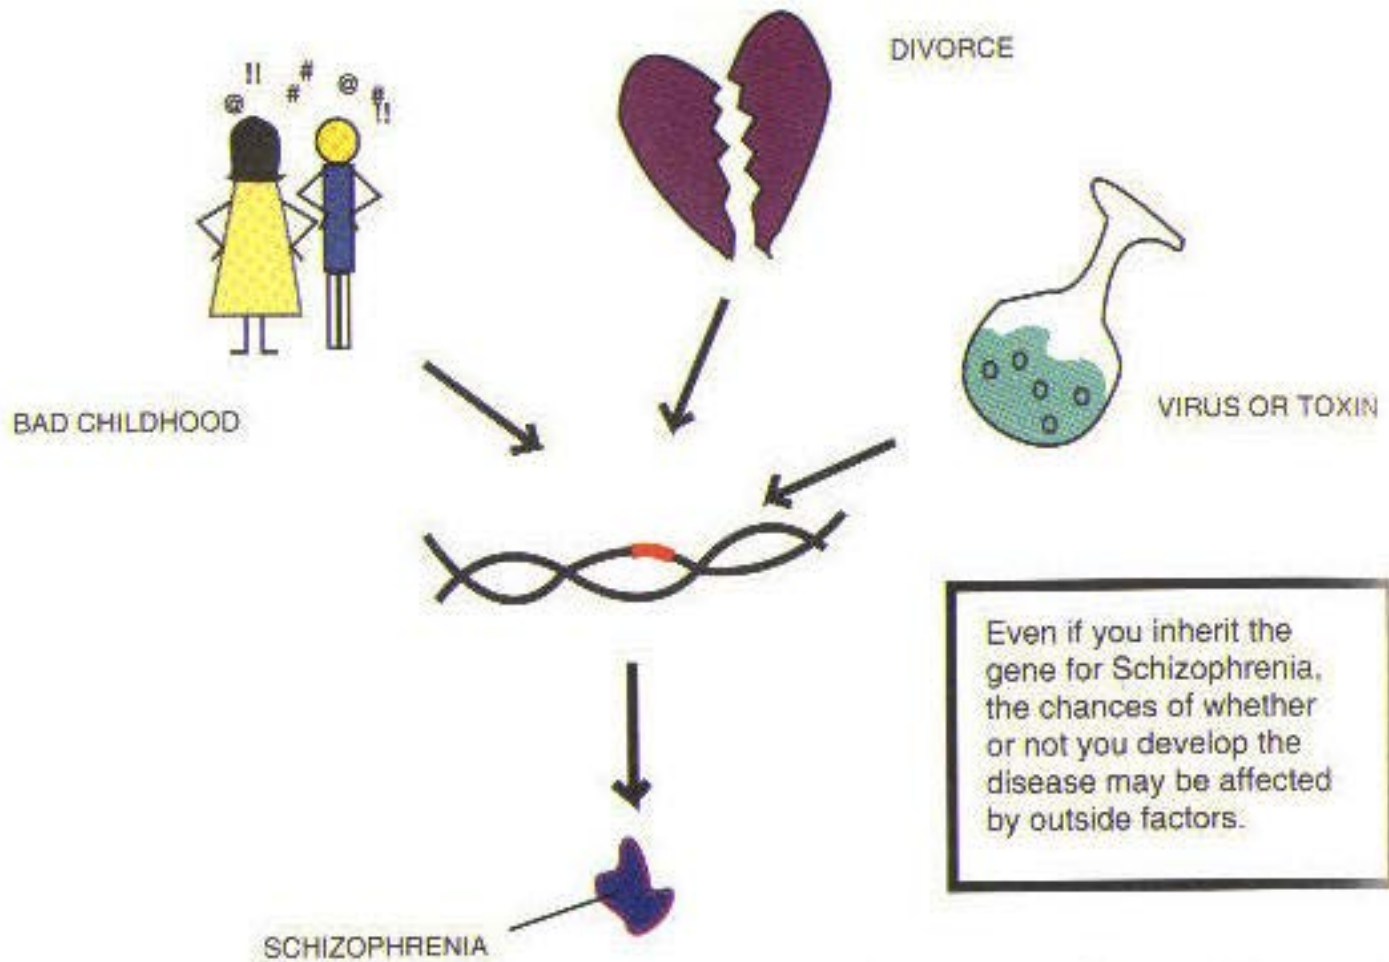

Jeffrey Fudin, Pharm.D., DAAPM, FCCP

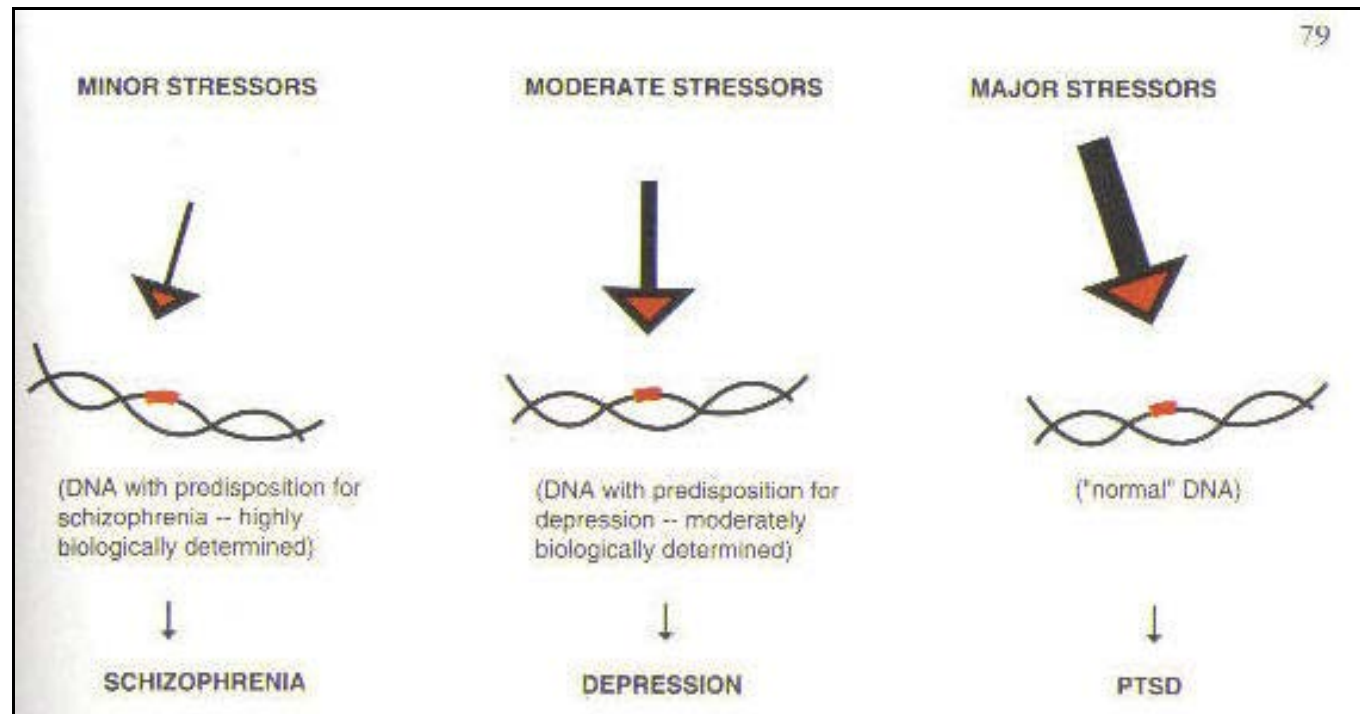

Adjunct Associate Professor, Pharmacy Practice

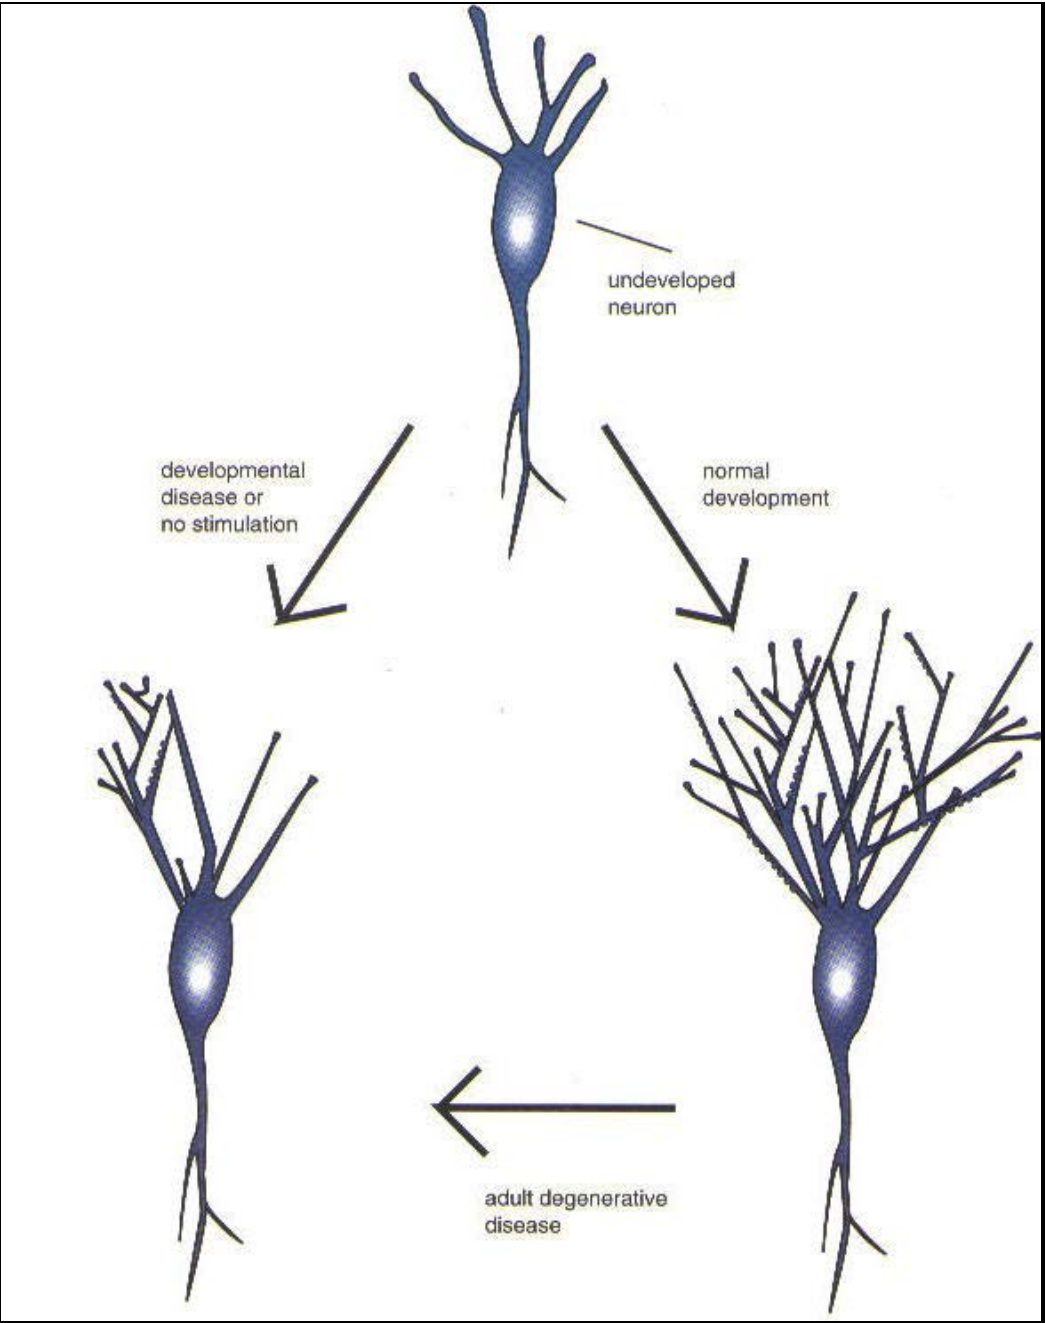

Albany College of Pharmacy

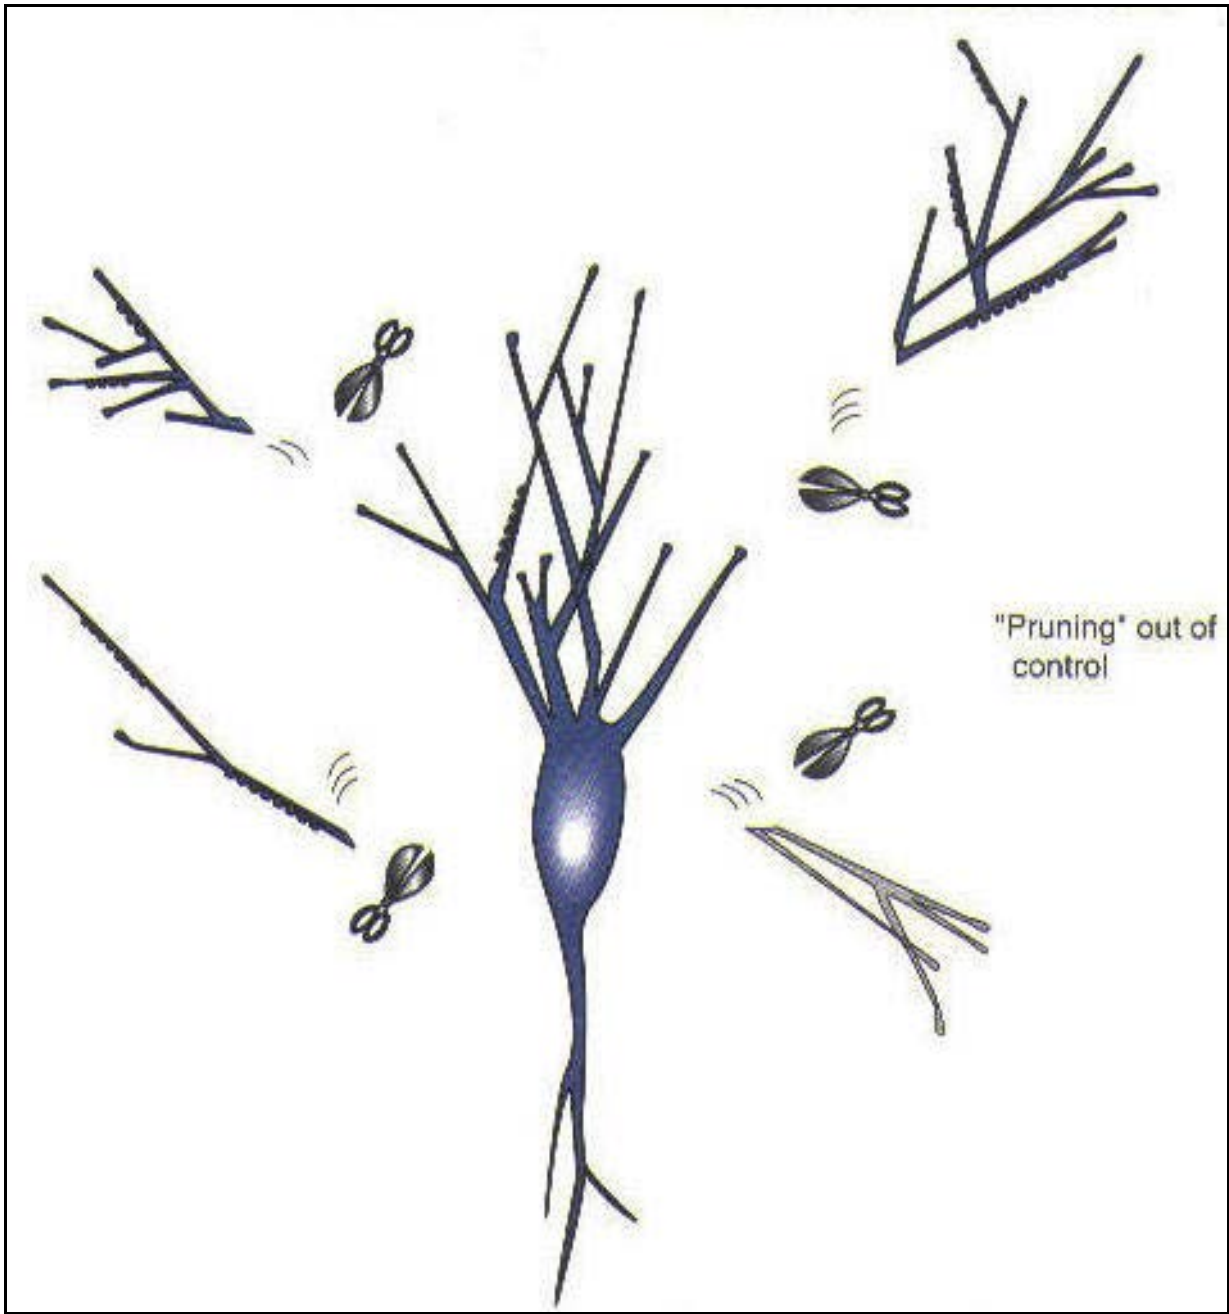

CEO, NovaPain Associates

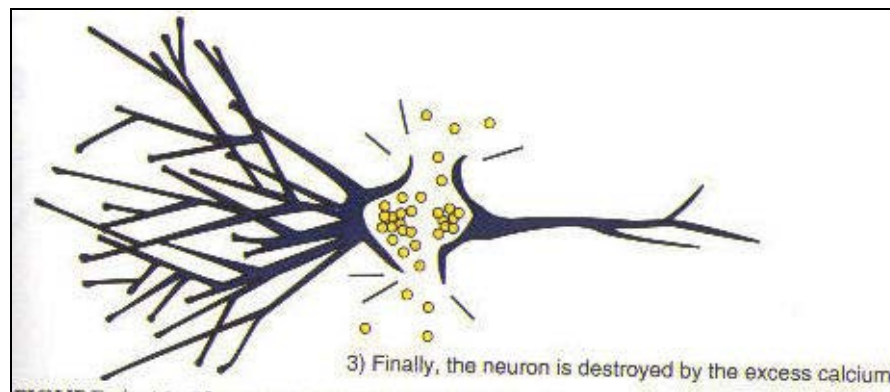

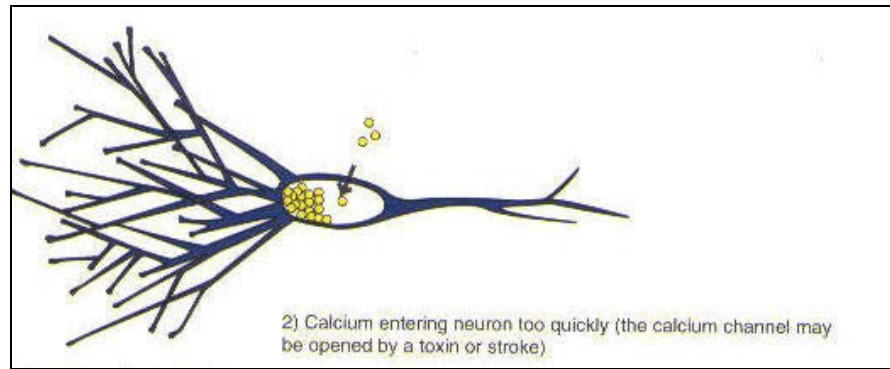

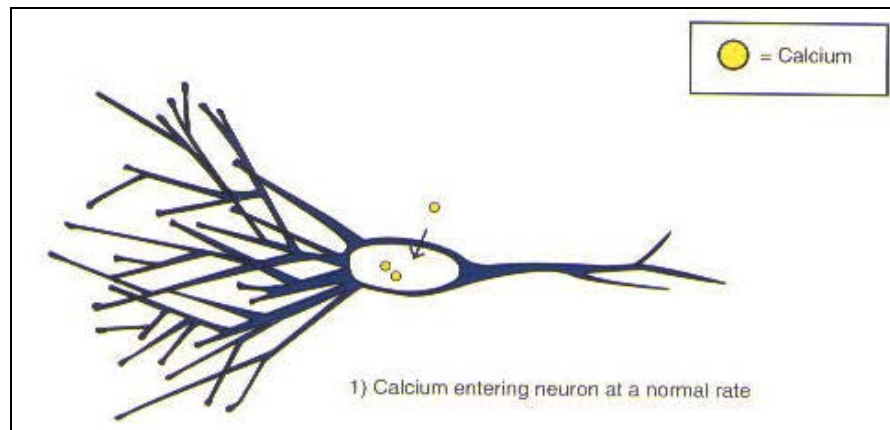

Clinical Pharmacy Specialist, VAMC-Albany

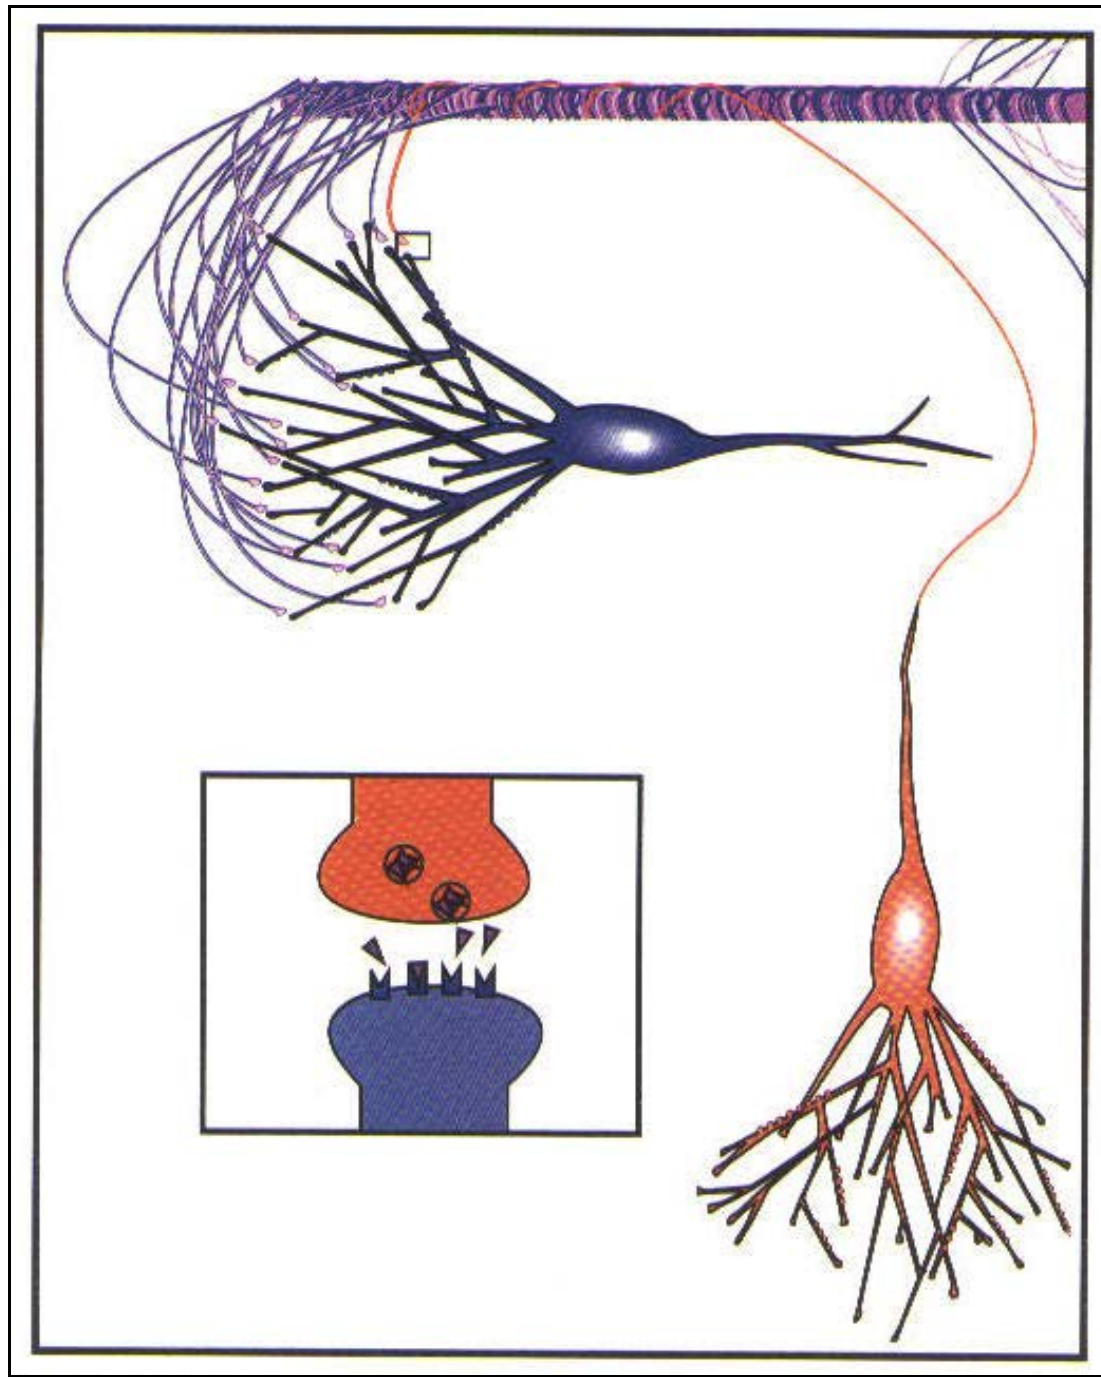

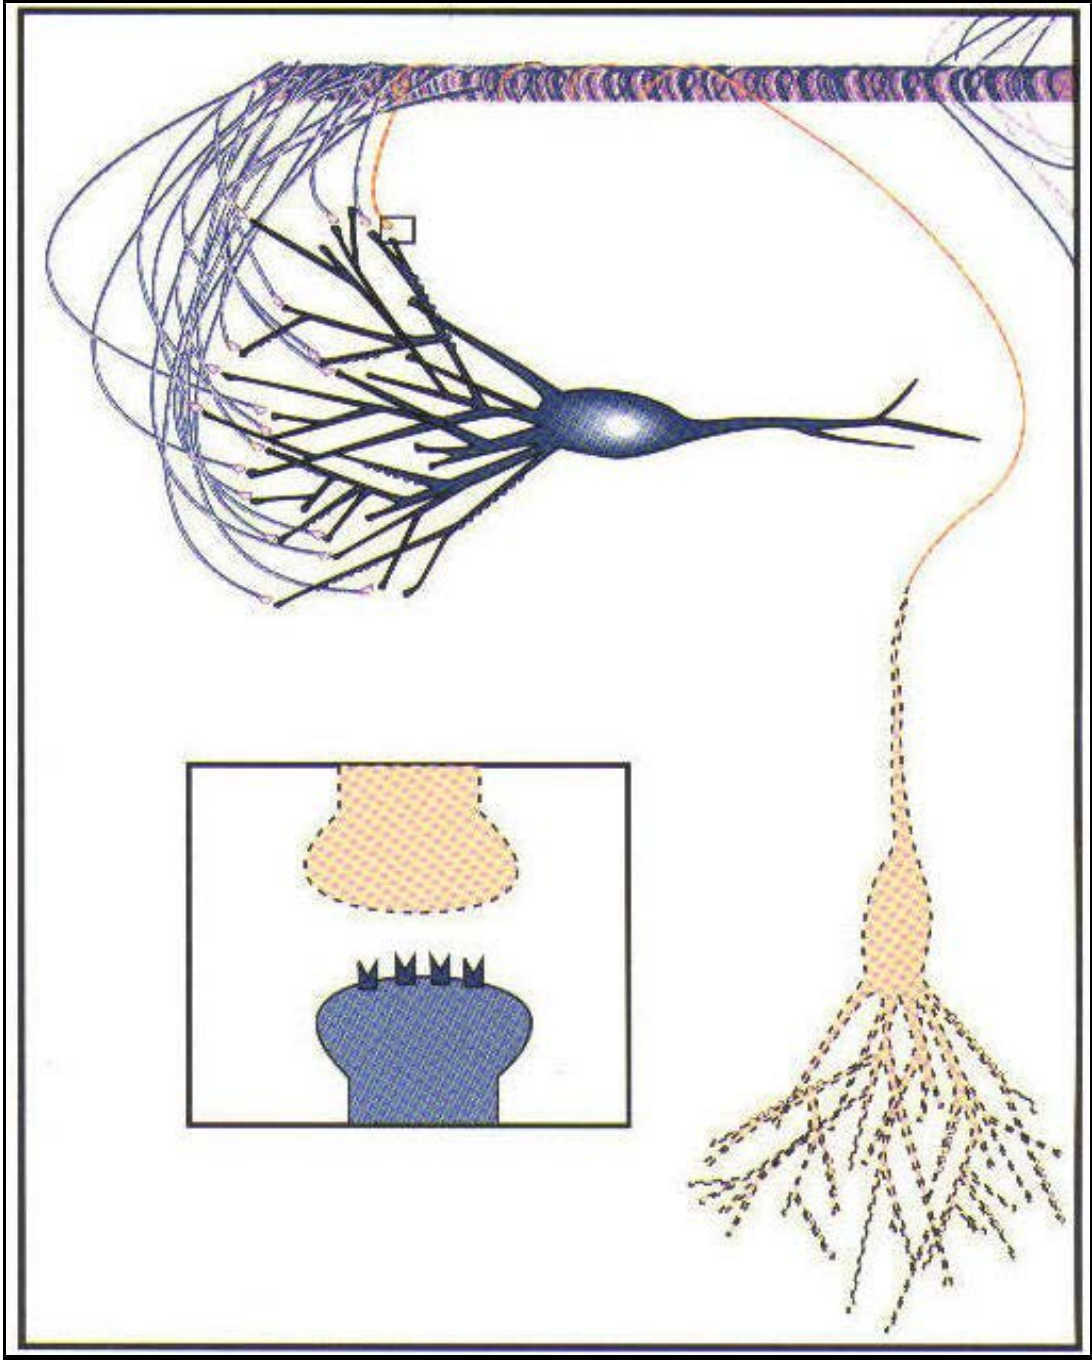

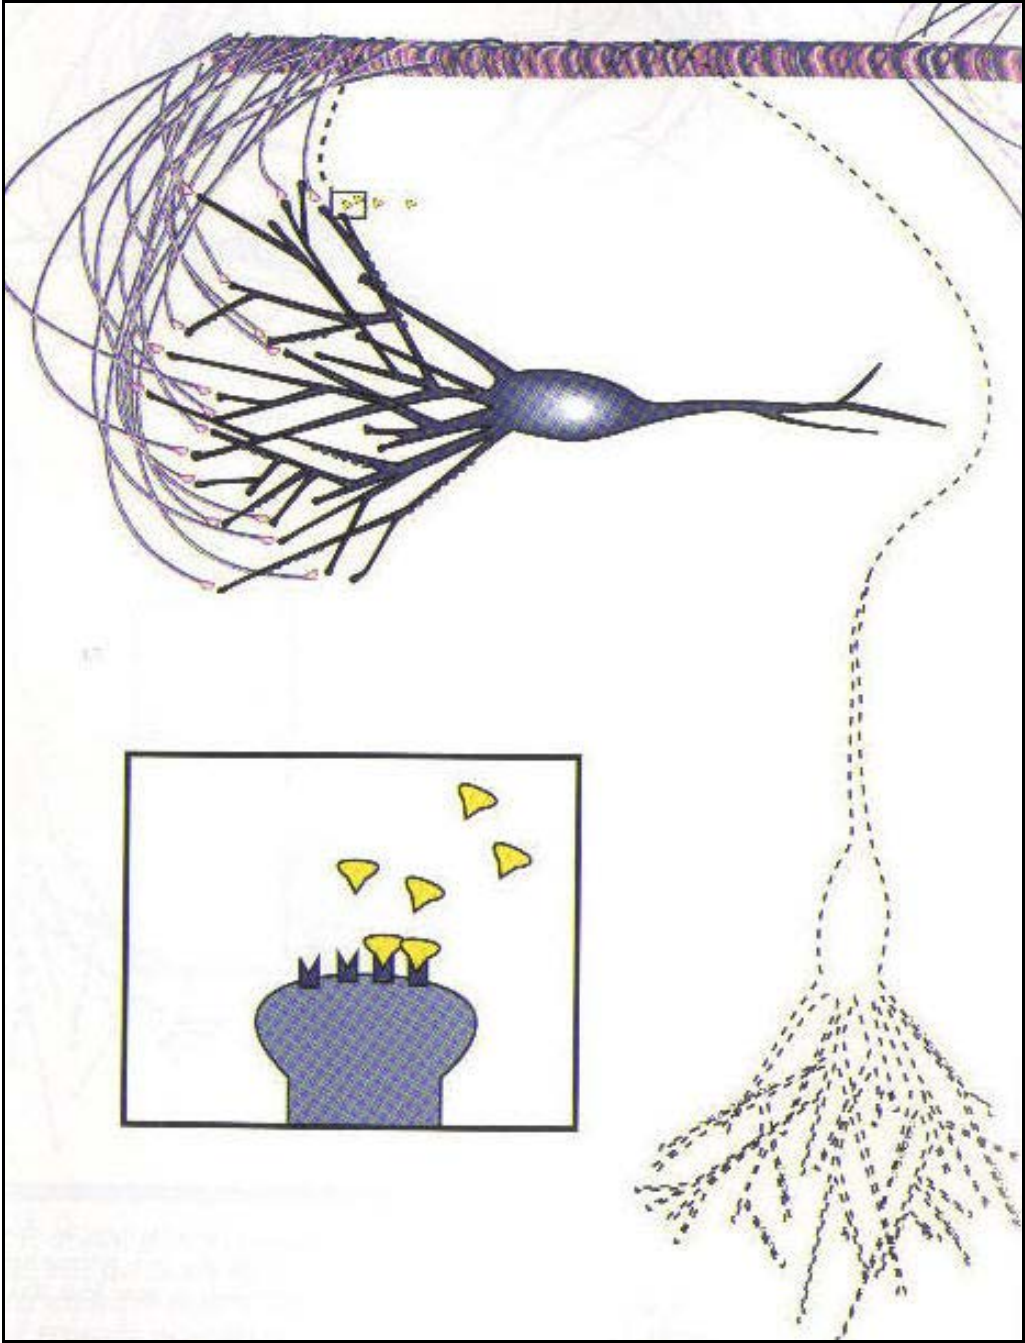

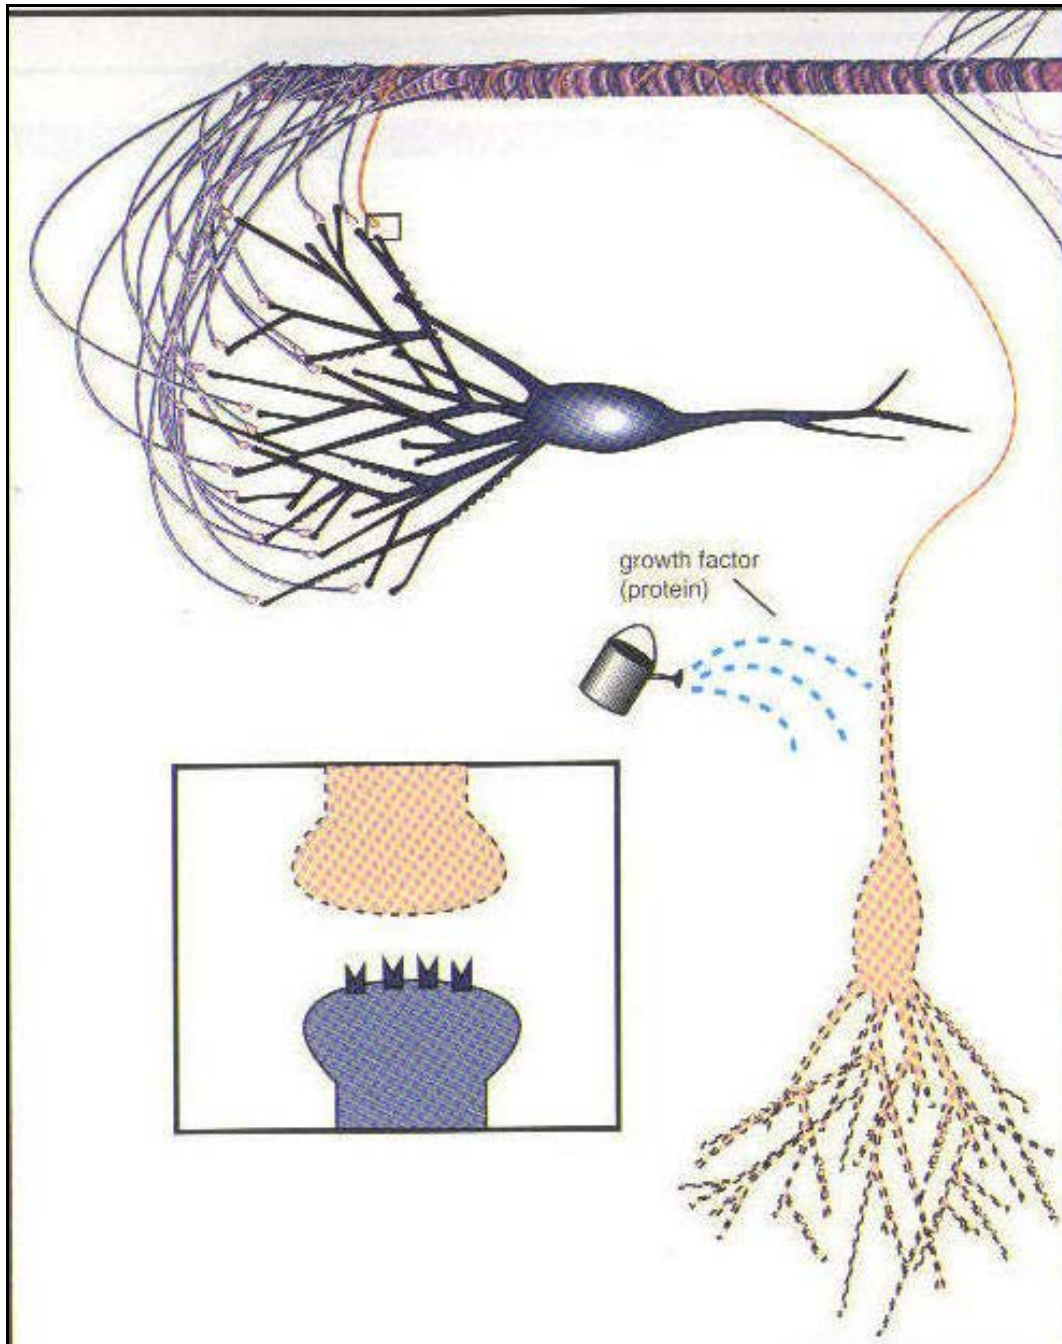

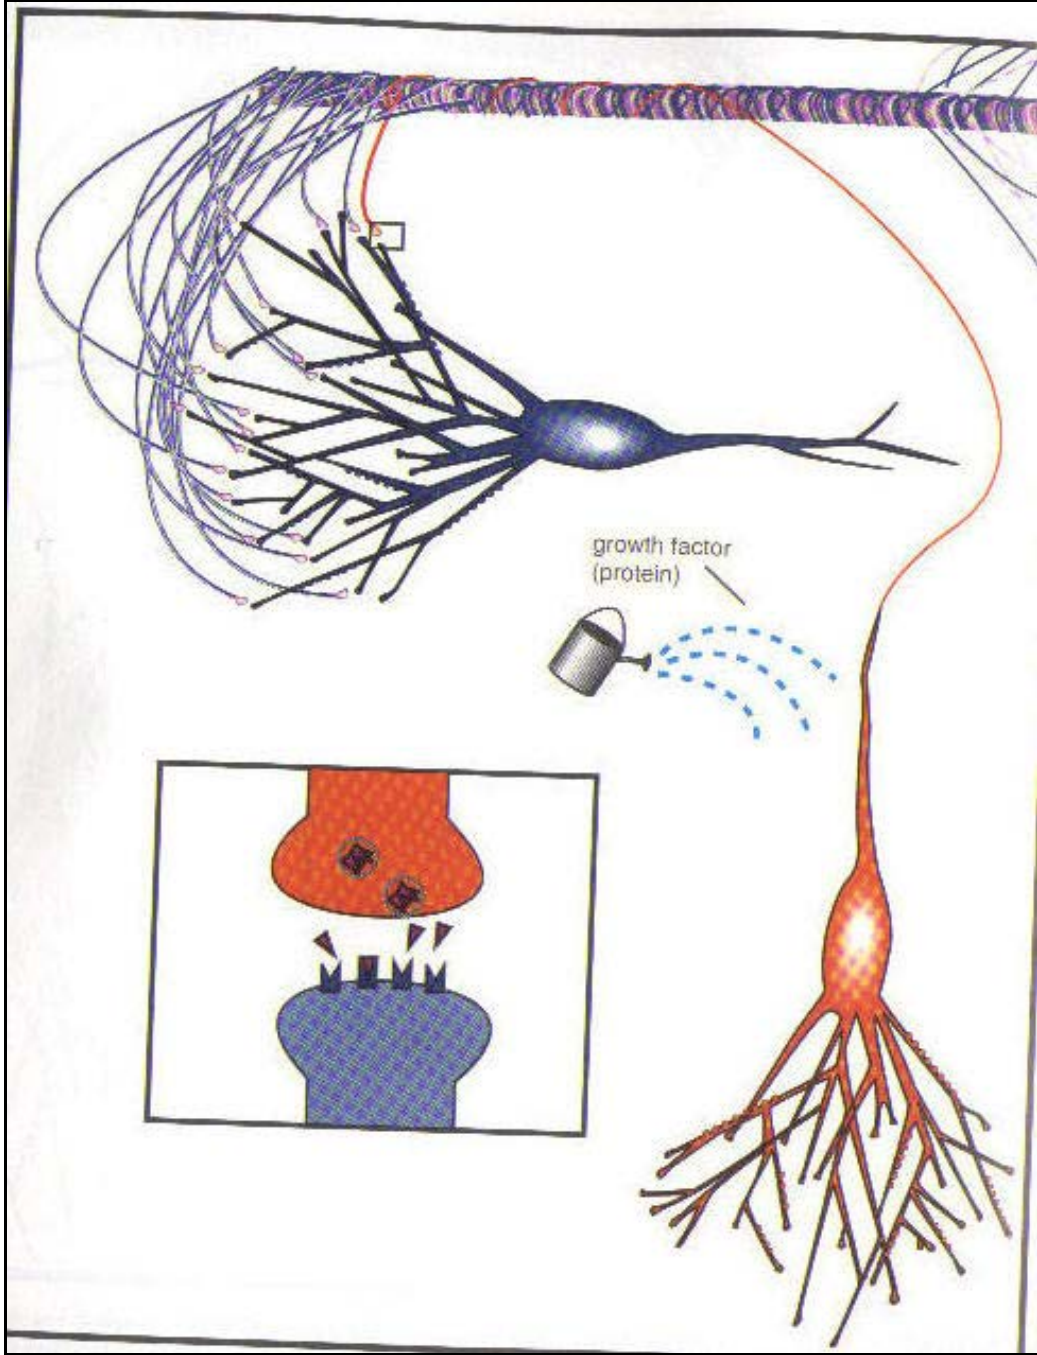

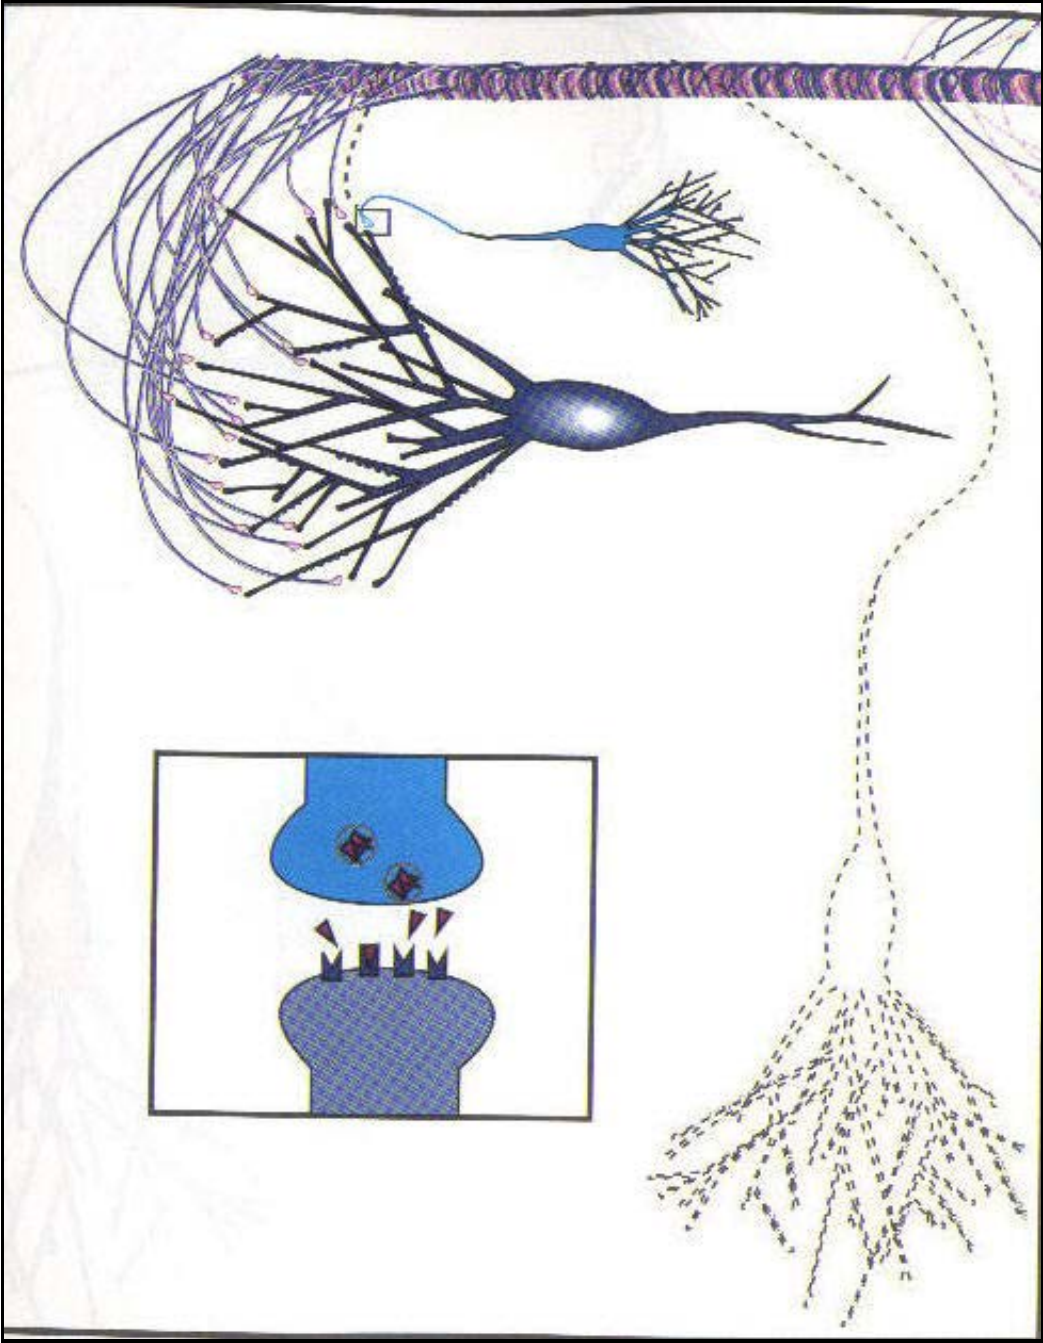

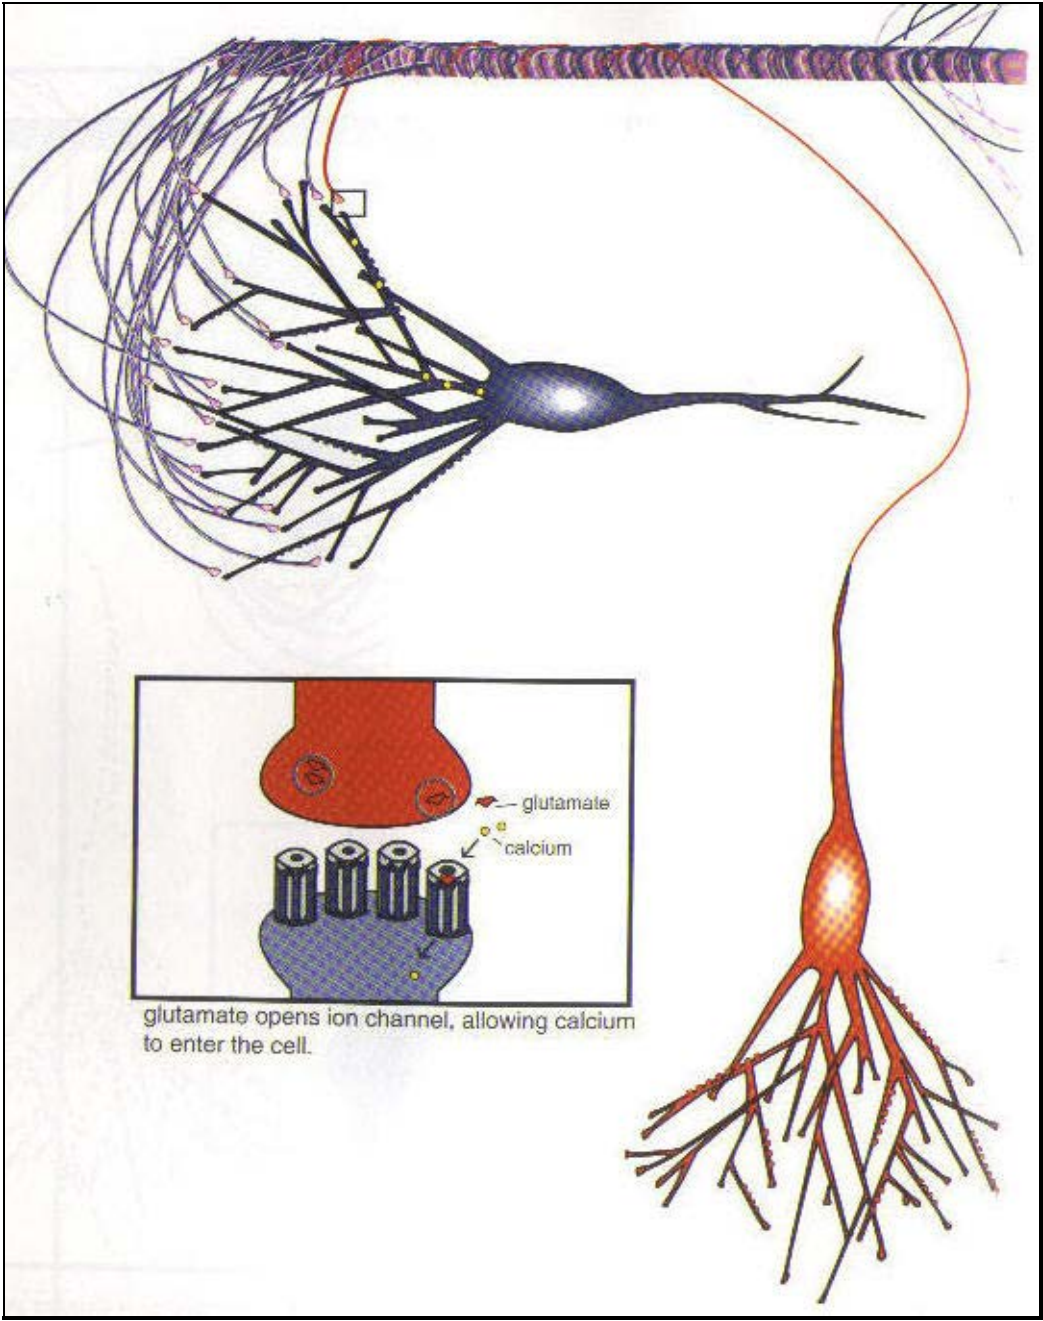

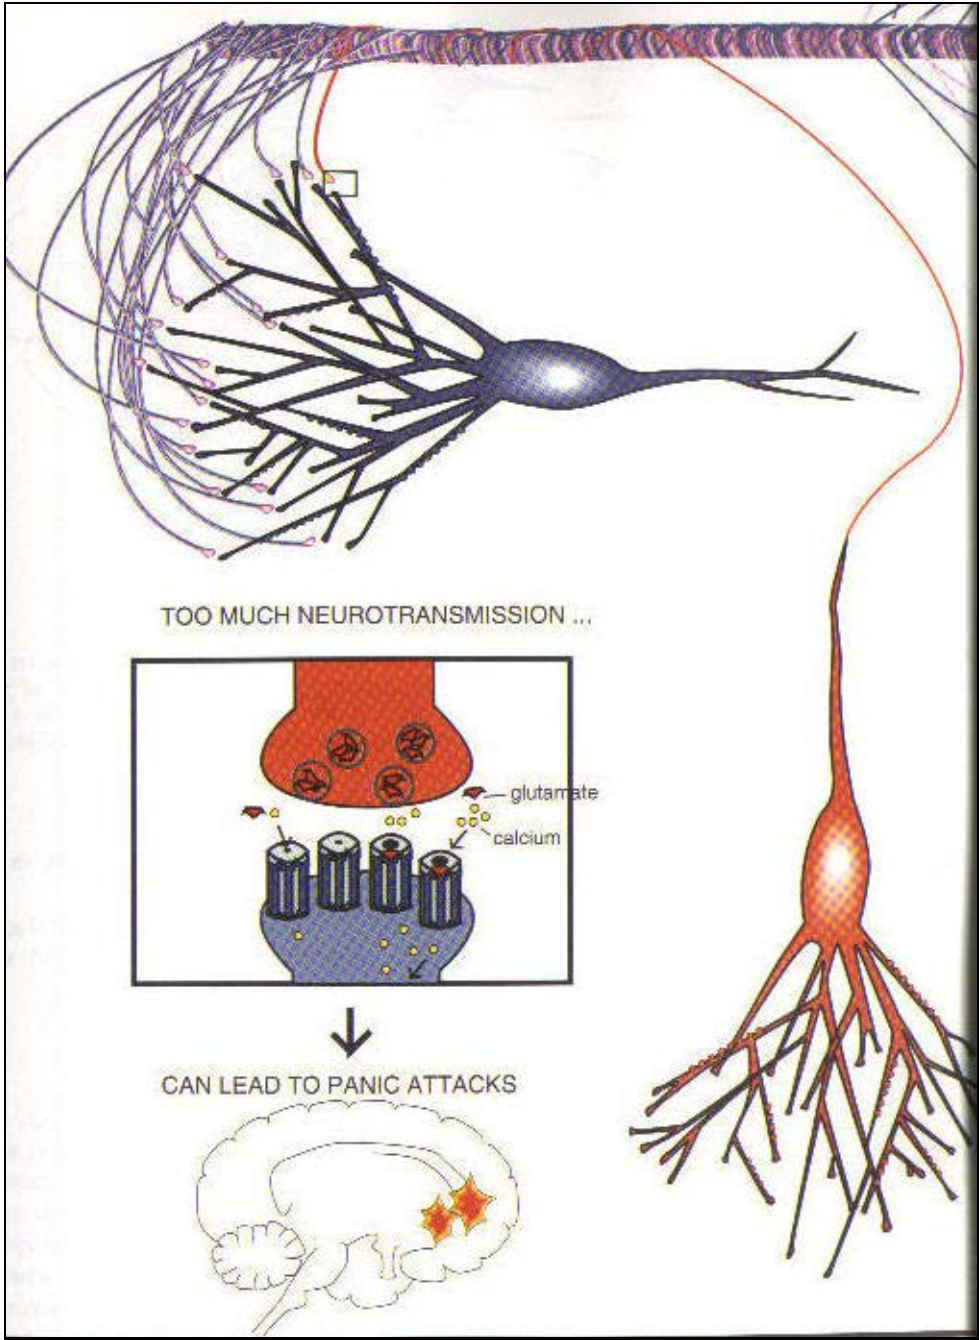

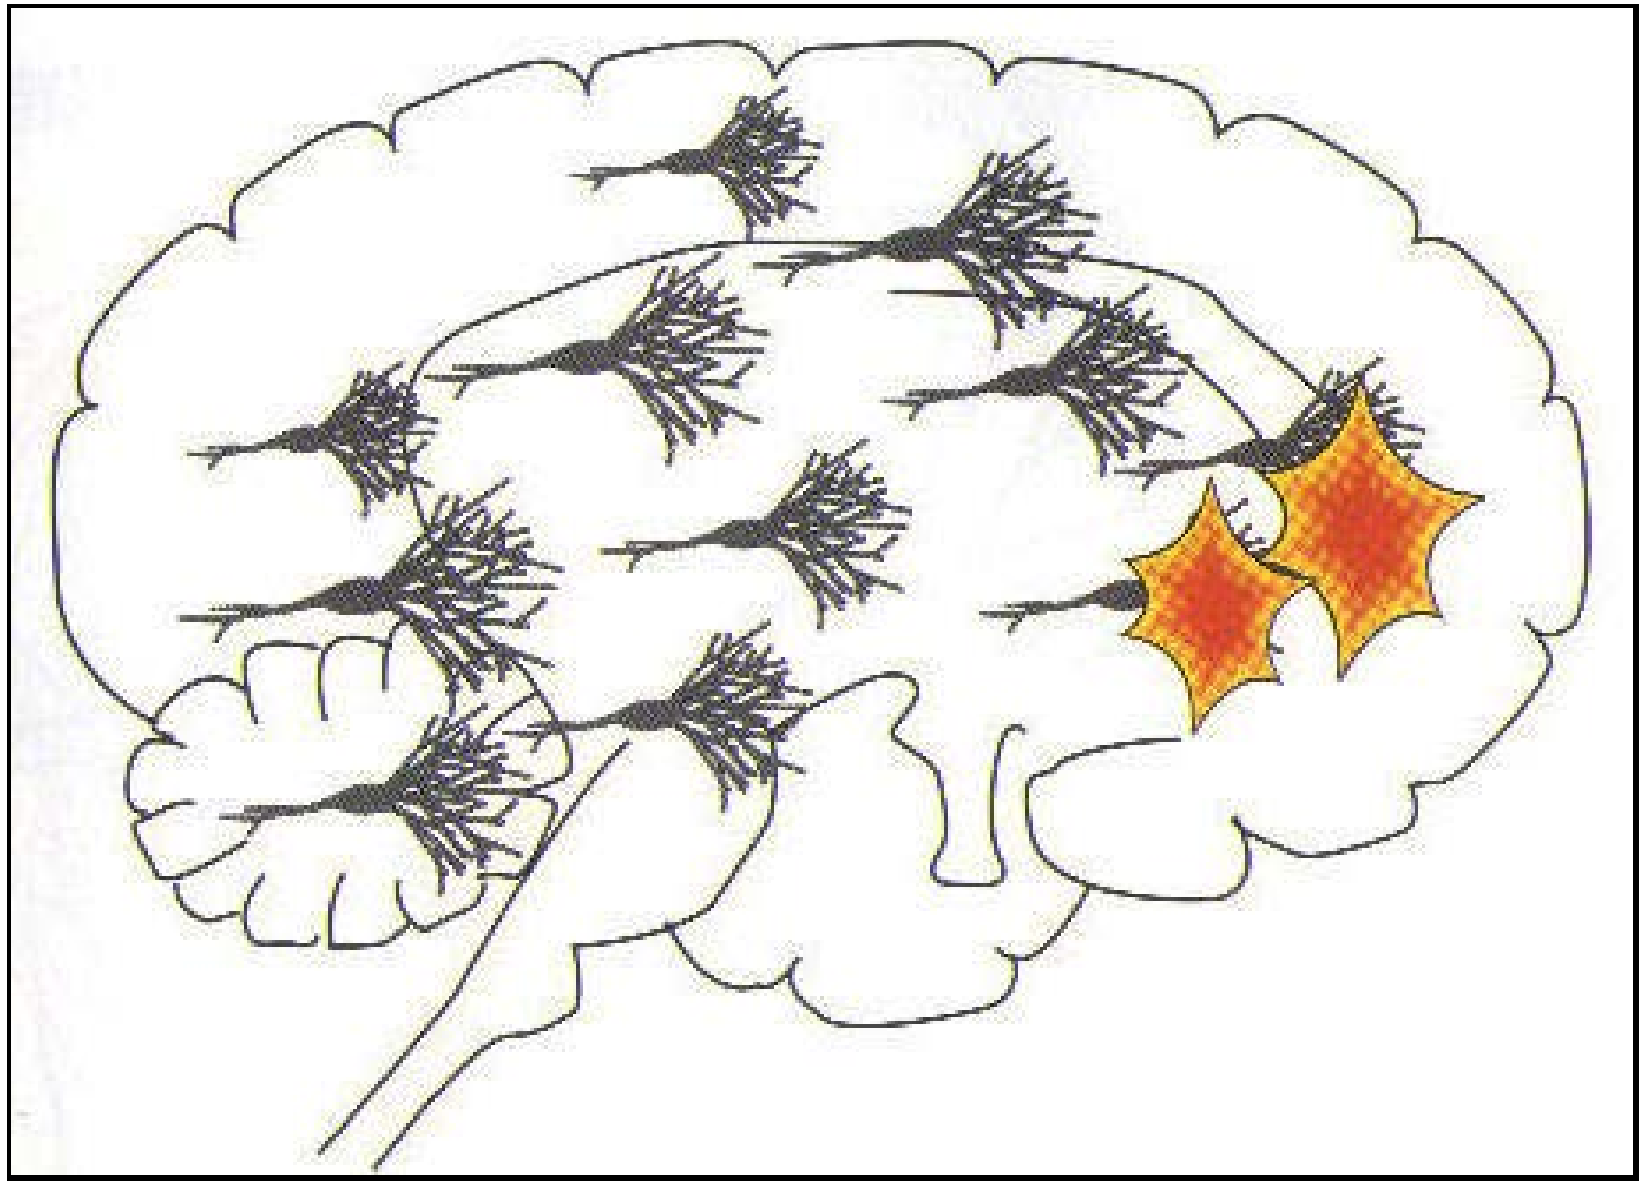

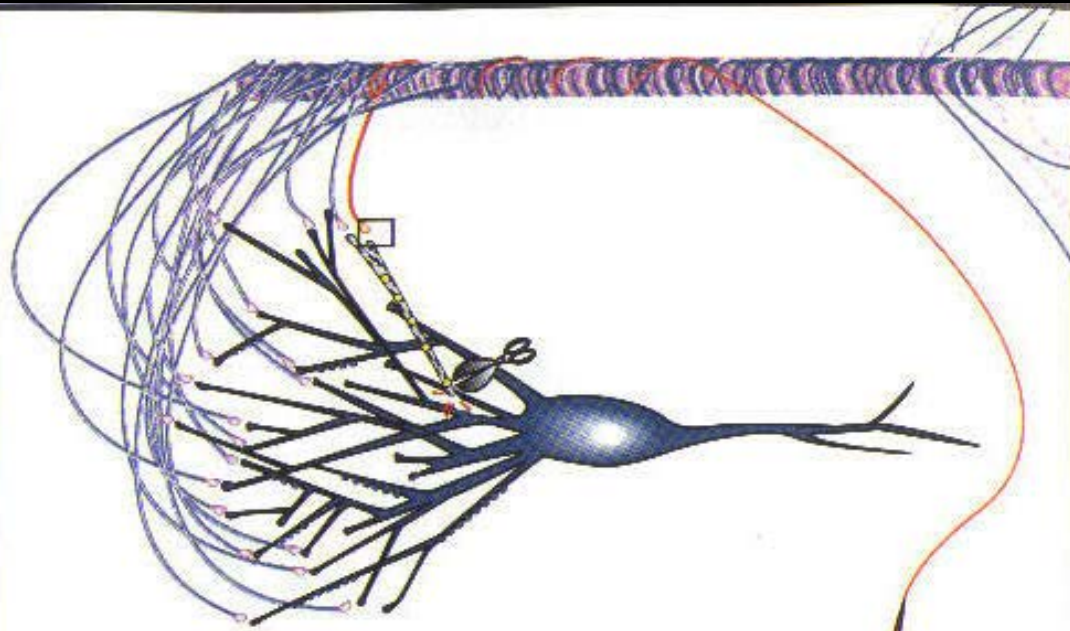

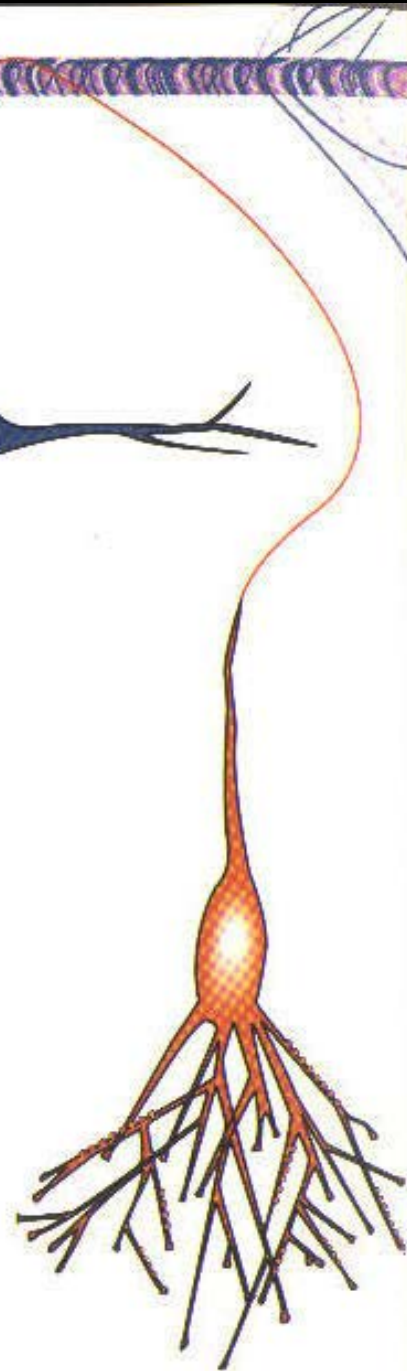

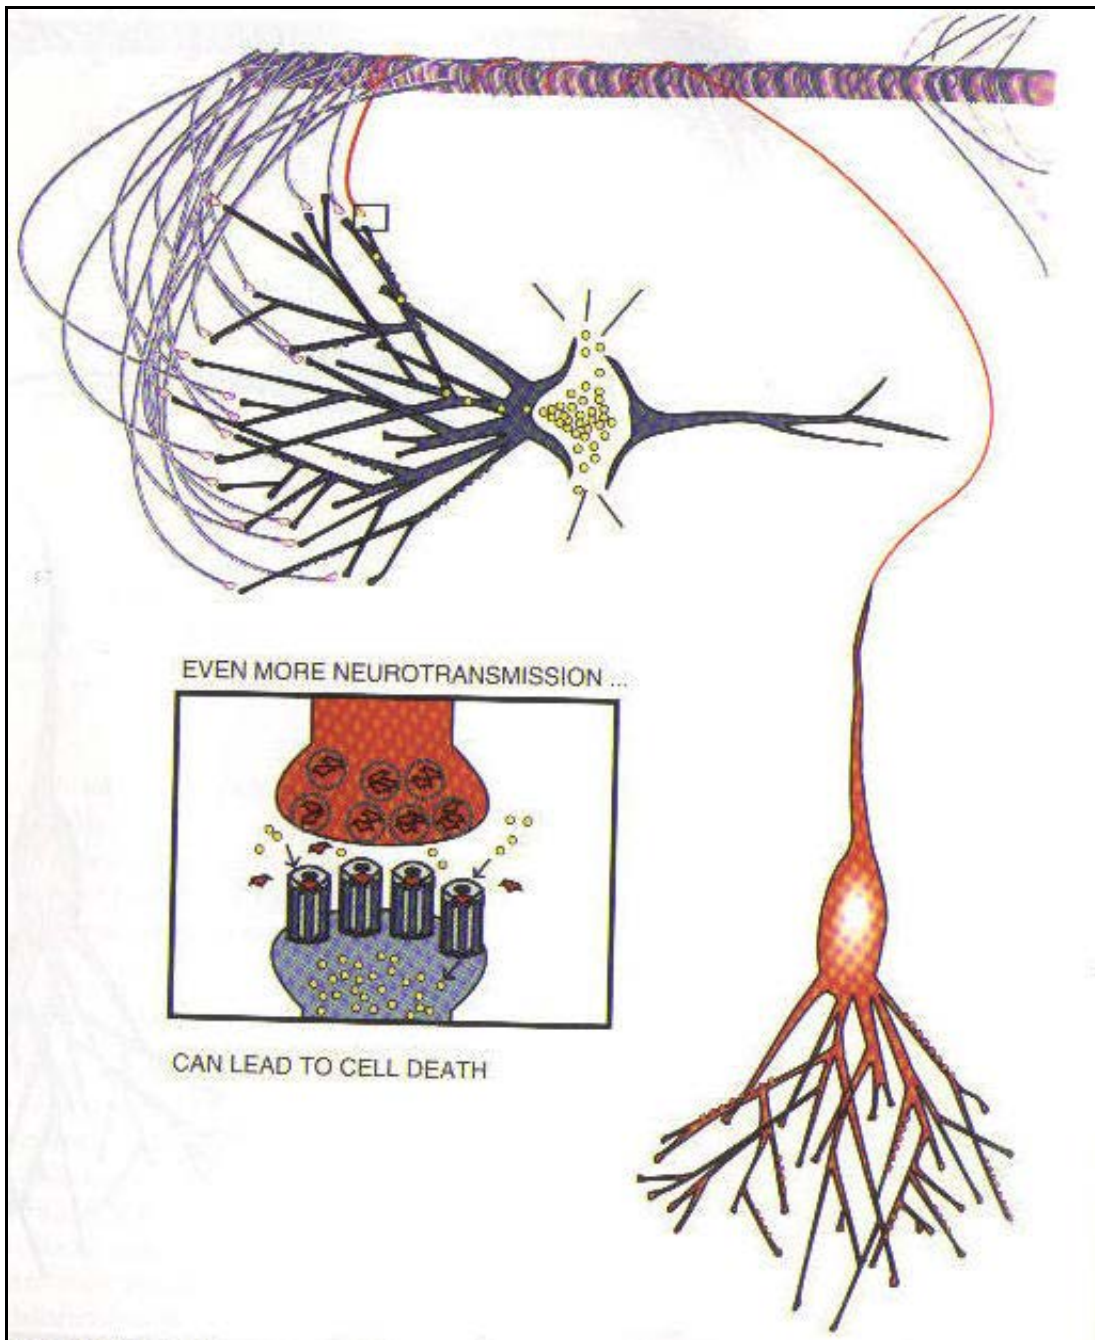

TOO MUCH NEUROTRANSMISSION ...

CAN LEAD TO DENDRITIC DEATH

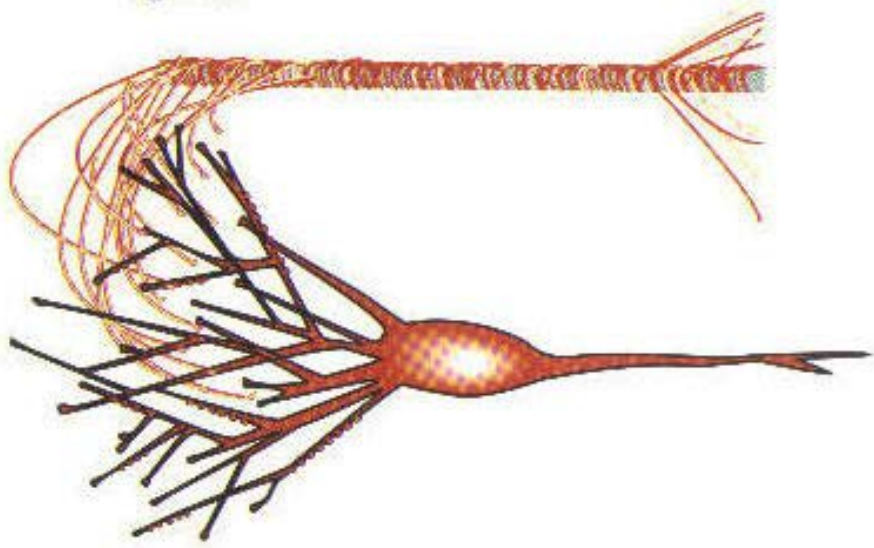

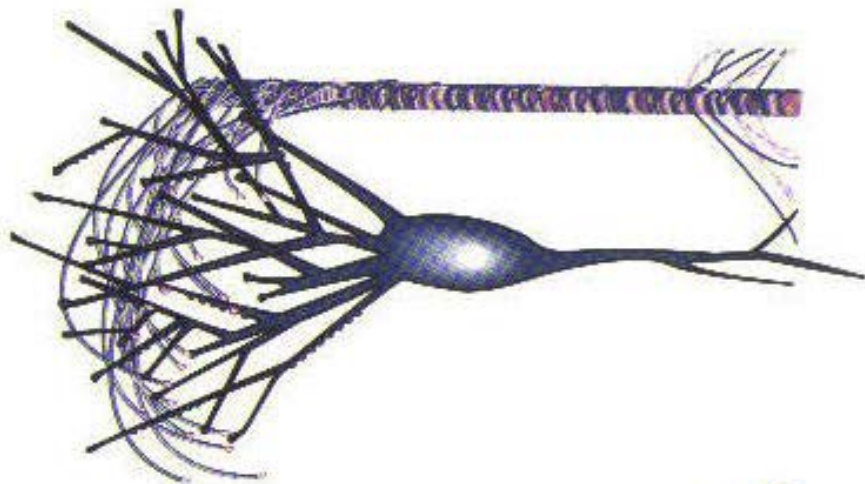

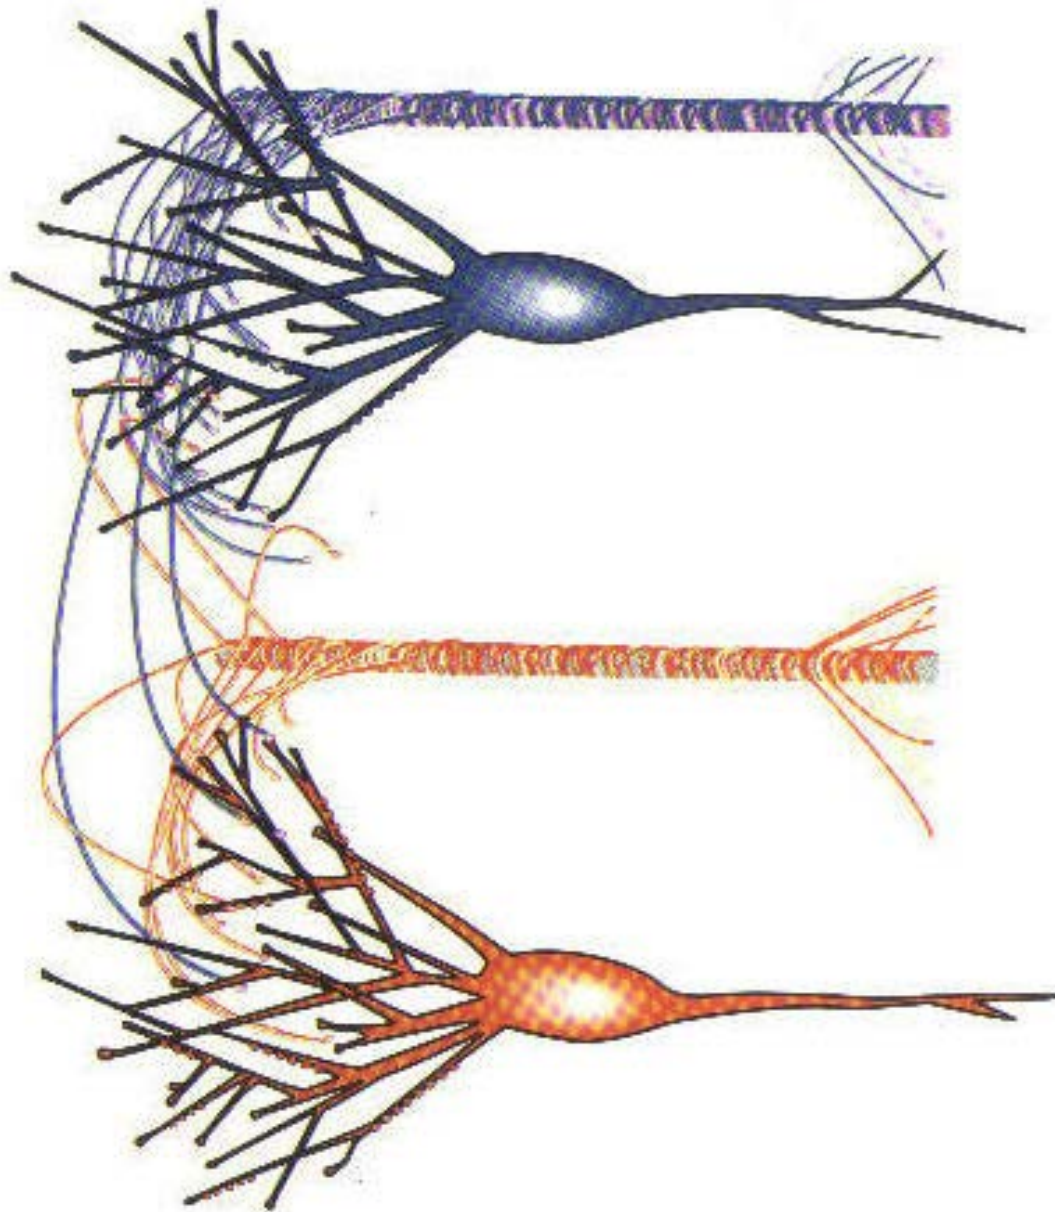

EVEN MORE NEUROTRANSMISSION ...

CAN LEAD TO CELL DEATH

CORRECT WIRING

WRONG WIRING
